

1. Sign into your account on aaplconnect.landman.org
2. Go to your profile
3. Select the “My Account” dropdown menu and then click “Community Notifications”

AAPL Admin

4. On this screen, you can choose from the following options:
 Real Time – receive email notifications as they are posted to Landnews
 Daily Digest – receive emails once a day with a summary of new postings to Landnews
 No Email – no emails will be sent (unless “Consolidated Weekly Digest” box is checked)
 Consolidated Weekly Digest – receive emails with a summary of all new postings to Landnews from the week
 *to receive only the weekly digest select “no email” and check the box for “Consolidated Weekly Digest”

Community Notifications

Community notification will be delivered to your primary address:

To receive specific community notifications at an address other than your primary, set override(s) where desired.

Weekly Consolidated Community Digest: ?

Deliver on to your primary address. [change](#)

Discussion Email: ?

You have no override email addresses for discussion emails. [add override addresses](#)

Notification Settings

Yes No Automatically set community discussion emails to “No Email” when a community is added to a consolidated digest.
