| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|---|------------|------------------------|---|---|
| California Starts 2021 → 11/30/22 | Access all | bills: <u>http://l</u> | eginfo.legislature.ca.gov/faces/billSearchClient.xhtml | |
| X | AB 25 | R | Repeals ABC test for independent contractors and reverts back to more permissive <i>Borello</i> multi-factor test | Died in committee |
| | AB 345 | D | Creates a statewide 2,500-foot buffer zone around oil wells | Passed Senate; in Assembly committee |
| v | AB 896 | D | Collection of unpaid idle well fees from an operator; establishing the timelines and criteria for determining if a well has been deserted, and locating or collecting any costs from the operator or responsible party for a well that has been deserted or ordered to undergo well integrity testing or to be plugged and abandoned by the supervisor | Enacted 10/8/21; Eff 1/1/22 if SB 84 is also enacted |
| | AB 1093 | D | Provides for online notarial acts and registration as an online notary public | In committee |
| x | AB 1395 | D | Would mandate the California Air Resources Board establish new climate goals to achieve 90% emission reductions by 2045, and effect housing construction, agriculture production, energy, transportation, and all manufacturing | Died in session |
| | AB 2257 | D | Requires the States Lands Commission (SLC) to develop a cost study that measures the fiscal impact of a voluntary buy-out of any lease interests remaining, in actively producing state offshore oil and gas leases in state waters | In committee |
| | AB 2447 | D | Would prohibit the disposal of produced wastewater into unlined ponds and the construction of new unlined ponds | In committee |
| X | SB 25 | D | Express intent for legislature to enact legislation related to regulation of well stimulation treatment projects | Died in committee |
| V | SB 47 | D | Expresses intent for legislature to enact legislation related to orphaned wells; offers no specifics | Enacted 9/23/21; Multiple eff dates |
| √ | SB 84 | D | Amends provisions of existing law regarding orphan, idle and abandoned wells | Enacted 10/9/21; Eff 1/1/22 |
| V | SB 406 | D | Makes numerous changes to existing oil and gas conservation law to enhance public transparency | Enacted 10/8/21; Multiple eff dates |
| x | SB 419 | D | State regulator to develop a strategic plan related to oil and gas that incorporates protecting public health, safety, and environmental quality; required union employment for certain oil field work; Reintroduced 8/24/21 all oil and gas provisions removed; no longer relevant bill | Passed Senate; Pulled by sponsor |
| X | SB 467 | D | Hydraulic fracturing ban | Died in cmte 4/13/21 |
| | SB 953 | D | Would require the State Lands Commission to terminate all remaining oil and gas leases under its jurisdiction in tidelands and submerged lands within state waters by December 31, 2023 | In committee |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|--|---------------|------------------------|--|---|
| | SB 1295 | D | Regarding hazardous or deserted wells would amend expenditures by state agency | In committee |
| | SB 1314 | D | Prohibits an operator from injecting a concentrated carbon dioxide fluid produced by a carbon dioxide capture project or a carbon dioxide capture and sequestration project into a Class II injection well for purposes of enhanced oil recovery, including the facilitation of enhanced oil recovery from another well | In committee |
| | SB 1319 | R | Would prohibit the import of crude oil into California if the source of the oil is a foreign nation with demonstrated human rights abuses, or a foreign nation with environmental standards that are lower than those in California. Second, the bill would require the Geologic Energy Management Division to report on its website the amount of particulate matter released into the air from tanker ship emissions from oil imported into the state | In committee |
| | | | | |
| Colorado Ends 5/7/22 | Access all | bills: <u>https://</u> | /leg.colorado.gov/bills | |
| | HB22- 1361 | D | Provides for operator meter certification and calibration reporting; operators violations related to the filing of air pollution emission notices | Passed House |
| | HB22- 1391 | D | changes the calculation of the ad valorem credit allowed against the state severance tax on oil and gas | In committee |
| v | SB22-26 | D | Amends oil and gas operator property tax procedures concerning an oil and gas operator's sole ability to review and protest property tax | Enacted 3/30/22; Eff. immediately |
| | SB22-138 | D | Provisions to reduce greenhouse gas emissions in Colorado | Passed Senate |
| | SB22-198 | D | To provide for the mitigation of orphaned wells and establishing mitigation fees to be paid by operators | Passed Senate |
| | SJR22-8 | R | Supporting Colorado energy production | In committee |
| Florida Ends 3/11/22 | Access all | bills: <u>https://</u> | /www.myfloridahouse.gov/Sections/Bills/bills.aspx | |
| | | | | |
| Georgia Starts 2021 → 3/31/22 | Access all | bills: <u>https://</u> | /www.legis.ga.gov/legislation/all | |
| | HB 334 | R | Provides for remote online notaries public and notarial acts and related procedures | Senate tabled |
| | | | | |
| Idaho Ends 3/20/22 | | - | /legislature.idaho.gov/sessioninfo/ | |
| x | SB 1251 | R | This legislation clarifies existing authority for Idaho's State Board of Land Commissioners (Land Board) to receive lands with pre-existing encumbrances in land exchanges. It further clarifies responsibilities of the Land Board | Died in committee |

| May | 2, | 2022 |) |
|-----|----|------|---|
|-----|----|------|---|

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|--------------------------------------|------------|------------------------|--|--|
| | | | when contemplating land exchanges with the federal government, and it provides for continuation of existing land uses subsequent to exchanges as approved by the Land Board | |
| | | | | |
| Illinois Starts 2021 → 1/11/23 | Access all | bills: <u>http://v</u> | www.ilga.gov/legislation/default.asp | |
| | HB 2870 | D | Expands definitions related to forms of recorded instruments and provides for fees related to non-standard documents | Passed House |
| | HB 4845 | D | Provides that a physical or electronic image of the recorder's stamp satisfies the signature requirement for recorded instruments prior to, on, and after the effective date of this Act | Passed House |
| | HB 4989 | D | Various amendments to the Illinois Oil and Gas Act regarding temporary abandonment status among other provisions | In committee |
| | HB 5202 | D | No land or personal property of any landowner shall be taken or infringed upon by eminent domain, easement, or other mechanism for the installation of any infrastructure for the distribution of natural gas that was approved without the express and written consent of the landowner or property owner | In committee |
| | HB 5228 | D | When calculating the taxpayer's base income, the taxpayer's federal adjusted gross income shall be modified to exclude the portion of the income or loss received from a trade or business conducted within and without Illinois or from a pass-through entity conducting business within and without Illinois that is not derived from or connected with Illinois sources | In committee |
| | HR 739 | R | Urging President Biden to set policies supporting domestic oil and gas production, exploration, and development | In committee |
| | SB 83 | R | Creates the site value tax, but oil and gas and mineral rights not included in assessed value | In committee |
| ✓ | SB 1845 | D | Amends the Property Tax Code to provide that the owner of a certificate of purchase must file with the county clerk the names and addresses of the owners of the property and those persons entitled to service of notice at their last known addresses and the clerk shall mail notice within 30 days from the date of the filing of addresses with the clerk | Enacted 8/20/21; Eff 1/1/22 |
| | SB 97 | D | Provides for remote, electronic notarial acts and related application and examination requirements | In committee |
| ✓ | SB 2408 | D | Energy Transition Act. Pathway toward power sector decarbonization by 2045, creates equitable clean energy workforce development pathways and expands state commitments to energy efficiency, renewable energy and electric vehicles | Enacted 9/15/21; Multiple eff dates |
| ✓ | SB 2664 | D | Amends notary law to provide for electronic notarization and electronic notaries public | Enacted 7/23/21; Eff 7/1/22 |

|---|------------|------------------------|---|---|
| | SB 380 | R | Provides criteria for designation as an independent contractor | In committee |
| | SB 389 | R | Decreases gross production tax as specified | In committee |
| | SB 476 | R | Amends existing law to provide a new provision regarding the improper or fraudulent transfer of wells | In committee |
| ~ | SB 632 | R | Regarding oil and gas liens, the bill adds new definitions of oil and gas rights proceeds | Enacted 4/20/21; Eff. 11/1/21 |
| ✓ | SB 913 | R | Provides legislature oversight of state agency regulations and ability to repeal agency regulations | Enacted 4/12/21; Eff 9/1/21 |
| | SB 916 | R | Amends existing law to provide for remote, electronic notarial acts | In committee |
| | SB 1003 | R | Amends existing law to extend the required proceeds payment date for oil and gas production | In committee |
| X | SB 1034 | R | Removes the Oklahoma Energy Resources Board from directing the Committee for Sustaining Oklahoma's Energy Resources | Passed both 4/22/21; Died in conference |
| ✓ | SB 1059 | R | Extends sunset dates for the current excise and gross production taxes on petroleum oil and natural gas and/or casinghead gas from 2021 to July 1, 2026 | Enacted 5/21/21; Eff 7/1/21 |
| | SB 1305 | R | Amends existing law relating to deductions from royalty payments and pass-through entities | Passed both |
| | SB 1368 | R | Modifies the amount of certain surety an owner must maintain as it relates to the Corporation Commission surety requirement to operate wells in the state | Passed Senate |
| | SB 1524 | R | Provides that proceeds from the sale of oil or gas production from an oil or gas well shall be paid upon submission of a properly executed division order to the person responsible for remitting proceeds. The measure also provides that proceeds that are not paid on time shall not accrue interest in certain circumstances outlined in the measure. If the conditions as outlined in the measure are cured, then payment shall be remitted to persons legally entitled to payment. Continued delay of payment shall result in 12% interest accruing to the proceeds, which shall be compounded annually | Passed Senate |
| | SB 1594 | R | Water use and permit approval and provides certain requirements | Passed Senate |
| | SB 1645 | R | Increases the "dollar amount of financial instrument required to drill and operate certain wells and units" | In committee |
| Pennsylvania Starts 2021 → 11/30/22 | Access all | bills: <u>https://</u> | /www.legis.state.pa.us/cfdocs/legis/home/bills/index.cfm | |
| | HB 353 | D | Would require that well operators add tracer substances directly to fracking fluids before the fluids are used in hydraulic fracturing operations. "The addition of tracer substances would allow for the identification of fluids used by natural gas well operators which, in turn, would help | Introduced |

| Wyoming Ends 3/11/22 | Access all I | bills: <u>https://</u> | /www.wyoleg.gov/Legislation/search | | |
| ✓ | HB 3 | R | Provides for preference to be given in the process of vacant land bidding to applicants who are the owners, lessees, or lawful occupants of adjoining lands in good standing with the Board of Land Commissioners | Enacted 3/16/22; Eff. 7/1/22 | |
| ✓ | HB 89 | R | Relating to taxation on mineral production the bill allows "for regulation of oil and gas production until unpaid taxes are paid." The bill provides for Oil and Gas Conservation Commission orders to plug or prohibit drilling under provided circumstances. This bill provides an additional penalty for failure to make timely payment for severance taxes or ad valorem taxes on mineral production | Enacted 3/15/22; Eff. 7/1/22 | |
| X | HB 90 | R | Relating to taxation on mineral production, provides that as an alternative to distraint of property under state law, "the county treasurer or the department may garnish any payments, debts or other monetary obligations owed by a third person to the taxpayer that are related to mineral or mine production to satisfy any unpaid taxes due under this section. This paragraph shall only apply after the date to appeal the taxes has expired and shall not apply during the time an appeal is pending before the state board of equalization or any court of competent jurisdiction | Died in committee | |

| May | 2, | 2022 |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-------------------------------------|------------|-----------------------|--|--|
| X | HB 94 | R | Regarding maximum size for drilling units, the bill provides that no drilling unit established under this section shall exceed one thousand two hundred eighty (1,280) acres | Died in committee |
| X | HB 101 | R | Relating to oil and gas the bill clarifies the amount of the cost-free royalty interest to which a nonconsenting owner in a drilling unit is entitled | In committee |
| X | HB 102 | R | Provides that each interested person applying for a pooling order under this subsection shall in good faith offer lease terms to each unleased nonconsenting mineral interest owner within the area of the proposed pooling order and shall provide evidence of the lease offers to the commission before the commission enters a pooling order | In committee |
| 1 | SF 38 | R | Relating to ad valorem taxation of mineral production, the bill clarifies and modifies the reporting and payment of ad valorem taxes on mineral production and clarifies and modifies provisions for the payment of deferred taxes | Enacted 3/11/22; Eff. 3/11/22 |
| × | SF 47 | R | Regarding carbon sequestration; various provisions | Enacted 3/21/22; Eff. Multiple dates |
| X | SF 84 | R | Provides for severance tax relief/refunds | Passed Senate; Died in House |
| | | | | |
| FEDERAL U.S. Congress Ongoing | Access all | bills: <u>https:/</u> | /www.congress.gov/ | |
| | H.R. 218 | R | Saving America's Energy Future Act. The Interior Department and Department of Agriculture, administering the National Forest system, may not issue a moratorium on issuing new oil and gas leases and drill permits, nor renewals of such permits, on Federal lands under such Secretary's jurisdiction | In committee |
| | H.R. 455 | D | California Clean Coast Act of 2021. Would permanently ban oil and gas leasing in the Outer Continental Shelf off the coast of California | In committee |
| | H.R. 479 | D | California Central Coast Conservation Act. Prohibits federal oil and gas drilling on California's Central Coast | In committee |
| | H.R. 488 | R | Saving America's Mines Act. Would prohibit a moratorium on mineral development on Bureau of Land Management and National Forest System land without an Act of Congress to preclude any unilateral executive action moratorium | In committee |
| | H.R. 519 | R | Safeguarding Oil and Gas Leasing and Permitting Act of 2021. Provides that an order or other action by the President, Secretary of the Interior, or Department of the Interior official imposing a moratorium on Federal oil and gas leasing or permitting shall not take effect unless a joint resolution of approval is enacted by Congress | In committee |
| | H.R. 544 | D | Stop Arctic Ocean Drilling Act of 2021. Would prohibit oil and gas drilling in the Arctic Ocean | In committee |
| | H.R. 684 | R | Keystone XL Pipeline Construction and Jobs Preservation Act. Authorizes the Keystone XL pipeline and overrides | In committee |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-----------------------|---------------------|------------------|---|---------------------------------------|
| | | | any attempt by President Biden to override it through executive action | |
| | H.R. 751 | R | Protecting American Energy Production Act. Provides that the President may not declare a moratorium on the use of hydraulic fracturing unless such moratorium is authorized by an Act of Congress | In committee |
| | H.R. 757 | R | Protecting New Mexico's Jobs and Public Education System Act. Would exempt the state of New Mexico from Executive and Interior Department orders pausing oil and gas leasing, permitting, and related federal actions | In committee |
| | H.R. 794 | D | National Climate Emergency Act. Would direct President Biden to declare a national climate emergency and mobilize every resource at the country's disposal to halt, reverse, mitigate, and prepare for the consequences of this climate crisis | In committee |
| | H.R. 803 | D | Protecting America's Wilderness and Public Lands Act. Combined eight bills aims to provide extra protection to about 1.5 million acres of public lands by designating them as wilderness. It would also prevent new oil, gas and mineral extraction on more than 1.2 million acres of public land and preserve 1,000 river miles by adding them to the National Wild and Scenic Rivers System | Passed House 2/26/21; To Senate |
| | H.R. 815/ S. 282 | D | Arctic Refuge Protection Act. Would end the Arctic National Wildlife Refuge oil and gas program authorized under the Trump administration | In committee |
| | H.R. 859 | R | Protecting American Energy Jobs Act. Would prohibit President Biden from issuing moratoria on leasing and permitting energy and minerals on certain Federal land | In committee |
| | H.R. 1187 | D | ESG Disclosure Simplification Act of 2021. Publicly traded companies would be required to disclose financial risks related to climate change | Passed House |
| | H.R. 1492 | D | Methane Waste Prevention Act of 2021. Would require the Environmental Protection Agency and Bureau of Land Management to set strict new standards limiting the amount of methane that oil and gas producers can release into the atmosphere from their drilling sites | House cmte passed |
| | H.R. 1503 | D | Restoring Community Input and Public Protections in Oil and Gas Leasing Act of 2021. Would amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling | House cmte passed |
| | H.R. 1505 | D | Bonding Reform and Taxpayer Protection Act of 2021. Increases bond amounts and sets reclamation plan requirements for drilling on federal lands | Reported favorably first cmte |
| | H.R. 1506 | D | Transparency in Energy Production Act of 2021. Provides for the accurate reporting of fossil fuel extraction and emissions by entities with leases on public land | Reported favorably first cmte |
| | H.R. 1512 | D | Climate Leadership and Environmental Action for our Nation's (CLEAN) Future Act. Ensures the United States acts aggressively to tackle the climate crisis this decade and achieve net zero greenhouse gas emissions | In committee |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-----------------------|--------------------------|------------------|---|---------------------------|
| | H.R. 1517 | D | Ending Taxpayer Welfare for Oil and Gas Companies Act of 2021. Amends the Mineral Leasing Act to make certain adjustments to the fiscal terms for fossil fuel development and to make other reforms to improve returns to taxpayers for the development of Federal energy resources | Passed House |
| | H.R. 1600 | R | Methane Emissions Reduction Act. Would enable the Department of Energy to help states in reducing methane emissions from oil and natural gas production | In committee |
| | H.R. 1726 | R | America Needs Worthwhile Resources Act or the ANWR Act. Provides that an order or action by the President or the Secretary of the Interior imposing a moratorium on oil and gas leasing shall not take effect without the express approval of Congress | In committee |
| | H.R. 1755/ S. 1276 | D | Northern Rockies Ecosystem Protection Act. Would designate approximately 23 million acres of wild lands in the continental northwest as wilderness and prohibit oil and gas resource development | In committee |
| | H.R. 2081 | R | To keep the BLM headquarters in Colorado | In committee |
| | H.R. 2132 | D | Closing Loopholes and Ending Arbitrary and Needless Evasion of Regulations Act of 2021. To require regulation of wastes associated with the exploration, development, or production of crude oil, natural gas, or geothermal energy under the Solid Waste Disposal Act | In committee |
| | H.R. 2176 | R | Ensuring Access to Domestic Mineral Production Act. To provide for the continued and uninterrupted production of domestic minerals in the United States | In committee |
| | H.R. 2184 | D | End Oil and Gas Tax Subsidies Act of 2021. Would repeal certain fossil fuel tax subsidies or credits for oil and gas production companies | In committee |
| | H.R. 2415 | D | Orphaned Well Cleanup and Jobs Act of 2021. Would amend the Energy Policy Act of 2005 to require the Secretary of the Interior to establish a program to permanently plug, remediate, and reclaim orphaned wells and the surrounding lands and to provide funds to States and Tribal Governments to permanently plug, remediate, and reclaim orphaned wells and the surrounding lands | Passed first committee |
| | H.R. 2570 | D | Climate Risk Disclosure Act of 2021. To reduce the chances of environmental and financial catastrophe by requiring public companies to disclose more information about their exposure to climate-related risks | In committee |
| | H.R. 2640 | D | Buffalo Tract Protection Act. Withdraws certain New Mexico lands from mineral development. | In committee |
| | H.R. 2644 | D | Green New Deals for Cities Act of 2021.To provide direct funding to local, Tribal, and territorial governments to establish Green New Deal programs and initiatives, and includes an ABC test for independent contractors related to those programs and initiatives | In committee |
| | H.R. 2836 | D | Florida Coastal Protection Act. Amends the Outer Continental Shelf Lands Act to prohibit oil and gas preleasing, leasing, and related activities in certain areas of the Outer Continental Shelf off the coast of Florida | In committee |

19

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-----------------------|-----------|------------------|--|--------------|
| | H.R. 3225 | D | Restoring Community Input and Public Protection in Oil and Gas Leasing Act. Would amend the Mineral Leasing Act to make certain adjustments in leasing on Federal lands for oil and gas drilling. | In committee |
| | H.R. 3326 | D | Public Land Renewable Energy Development Act of 2021. To promote the development of renewable energy on public lands | In committee |
| | H.R. 3330 | R | Public Land Renewable Energy Development Act of 2021. To promote the development of renewable energy on public lands | In committee |
| | H.R. 4153 | Bipartisan | Clean Energy Future through Innovation Act of 2021. A bipartisan proposal to boost innovation of clean energy technologies and reduce emissions from the power sector while preserving affordability and reliability | In committee |
| | H.R. 4219 | R | Would amend existing law to permanently set the federal onshore oil and gas and coal royalty rate at 12.5% | In committee |
| | H.R. 4334 | R | American Energy First Act. Would empower States to manage the development and production of oil and gas on available Federal land; to distribute revenues from oil and gas leasing on the Outer Continental Shelf to certain coastal States; to promote alternative energy development | In committee |
| | H.R. 4671 | R | Ensuring Meaningful Petition Outreach While Enhancing Rights of States (EMPOWERS) Act. Would mandate federal agencies consider local stakeholders' input when making changes to the species listed under the Endangered Species Act | In committee |
| | H.R. 4781 | R/D | Plugging Orphan Wells and Environmental Restoration Act of 2021 or the POWER Act of 2021. Amends the Energy Policy Act of 2005 to reauthorize a program to address orphaned, abandoned, or idled wells on Federal land, to establish a program to provide grants to States and Tribes to address orphaned wells | In committee |
| | H.R. 4833 | D/R | Migratory Bird Protection Act of 2021. Amends the Migratory Bird Treaty Act to affirm that the Migratory Bird Treaty Act's prohibition on the unauthorized take or killing of migratory birds includes incidental take by commercial activities, and to direct the United States Fish and Wildlife Service to regulate such incidental take | In committee |
| | H.R. 5193 | D | Just Transition for Energy Communities Act. Would provide resources to help state and Tribal governments that are reliant on fossil fuel development, production, and utilization to diversify and grow their economies; prohibits the funding be used for further fossil fuel development | In committee |
| | H.R. 5253 | D | Fossil Free Finance Act. Would amend the Bank Holding Companies Act to require the Federal Reserve to mandate, via regulation or guidance, that all bank holding companies with more than \$50 billion in assets align their financing of greenhouse gas emissions and deforestation risk commodities with science-based emissions targets | In committee |
| | H.R. 5435 | D | American Public Lands and Waters Climate Solution Act of 2019. Pauses federal O&G lease sales for one year; | In committee |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-----------------------|------------------------|------------------|---|--------------|
| | | | requires Interior Dept. and U.S. Forest Service to effectuate GHG emission goals by 2040 | |
| | H.R. 5552 | D | Migratory Bird Protection Act. Oil and gas companies would face risk of criminal prosecution for unintentional killing of migratory birds | In committee |
| | H.R. 5575 | D | America's Red Rock Wilderness Act. Prohibits certain federal portions of the Colorado Red Rock canyons and the Great Basin Deserts in Utah from coal mining and oil and gas production | In committee |
| | H.R. 5585 | R | Listing Reform Act. Amend the Endangered Species Act to consider the economic cost of listing a species as endangered or threatened | In committee |
| | H.R. 5628/ S.182 | D | Pecos Watershed Protection Act. Removes Pecos Watershed area in New Mexico from mineral resource development | In committee |
| | H.R. 5636 | D | Transparency in Energy Production Act. Impose certain disclosure and reporting requirements by "any entity seeking a lease" for fossil fuel operations on federal land | In committee |
| | H.R. 5708 | R | Seeks to codify certain regulations relating to the Endangered Species Act of 1973 finalized under the Trump administration related to critical habits and other species protections that the Biden administration has proposed to rescind to put back in place more stringent protections | In committee |
| | H.R. 5725 | R | The Threatened Species Protection Improvement Act of 2021. Ensures animals listed as threatened under the Endangered Species Act are provided with protections specifically tailored to their conservation needs rather than lock up lands in a one-size-fits-all approach | In committee |
| | H.R. 5733 | R | Seeks to codify certain regulations relating to the Endangered Species Act of 1973 finalized under the Trump administration related to critical habits and other species that would require economic impact to be taken into account and if the economic impact outweighs the benefit to the species | In committee |
| | H.R. 5740 | R | Seeks to codify Trump-era regulations relating to endangered species and threatened species listing and critical habitat designation | In committee |
| | H.R. 5775 | D | America's Red Rock Wilderness Act. Protect certain Utah public lands from coal mining and oil and gas production | In committee |
| | H.R. 5857 | D | Fracking Ban Act. Bans hydraulic fracturing on federal lands and revokes permits as of 2021 within 2,500 ft of a home, school or other inhabited structure. In 2025, all hydraulic fracturing is banned. | In committee |
| | H.R. 5936 | D | California's Land Preservation and Protection Act. Requires new BLM supplemental environmental impact statement for federal oil and gas development in California; EPA may override and halt oil and gas leasing | In committee |
| | H.R. 6086 | R | Payment In Lieu of Lost Revenues Act. Would direct the Secretary of the Interior to compensate States for lost revenue for any year during which Federal oil and gas leasing of Federal land within a State does not occur or otherwise results in lost revenue to that State as a result of | In committee |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-----------------------|-----------|------------------|---|--|
| | | | an order, moratorium, pause, or other action by the President, Secretary of the Interior, Secretary of Agriculture, or other designated official | |
| | H.R. 6259 | R | Continuing Robust and Uninhibited Drilling and Exporting (CRUDE) Act. Would restrict President Biden's ability to impose an export ban on crude oil without first proving a credible national security risk | In committee |
| | H.R. 6297 | R | Strategically Lowering Gas Prices Act. Would prohibit President Biden from releasing oil from the Strategic Petroleum Reserve until the executive orders blocking energy development on federal land are revoked | In committee |
| | H.R. 6767 | D | Creates a pilot program to provide portable benefits such as health insurance and savings plans to independent contractors similar to those employees have | In committee |
| | H.R. 6858 | R | American Energy Independence from Russia Act. To strengthen United States energy security, encourage domestic production of crude oil, petroleum products, and natural gas by immediately approving the Keystone XL pipeline, unleash U.S. LNG exports to boost natural gas production, restart oil and gas leasing on federal lands and waters, and protect energy and mineral development from attacks by the Biden administration | In committee |
| | H.R. 6884 | R | American Energy Independence Act of 2022. To prioritize United States energy independence | In committee |
| | H.R. 6886 | R | Powering America through Domestic Energy Act. To prohibit the importation of crude oil and petroleum products from the Russian Federation | In committee |
| | H.R. 6916 | R | Ending Dependence on Russian Energy Act. Authorizes the Keystone XL pipeline and directs the President to take certain actions relating to the importation into the United States from Russia, and the exportation from the United States of oil and gas | In committee |
| | H.R. 6942 | R | To prohibit the importation of oil and gas products from Russia, Iran, or Venezuela | In committee |
| | H.R. 6968 | D/R | Codifies President Biden's executive action banning Russian oil imports into the United States | Passed both; to President 4/8/22 |
| | H.R. 7094 | R | Energy Freedom Act. To provide greater output, price stability, and regulatory certainty with respect to domestic energy production in the United States and exports | In committee |
| | H.R. 7285 | R | Unleashing American Energy Act. Would require a minimum of two oil and gas lease sales a year in the Gulf of Mexico and in the Alaska Region of the Outer Continental Shelf, and it prohibits future moratoriums or delays on oil and gas leasing | In committee |
| | H.R. 7293 | R | Energy Permitting Certainty Act. Would amend the Mineral Leasing Act to require the Secretary of the Interior to process applications for a permit to drill | In committee |
| | H.R. 7298 | R | Promoting Energy Independence and Transparency Act. Would require the Secretary of the Interior to submit a report on expressions of interest and applications for | In committee |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-----------------------|----------------|------------------|---|--------------|
| | | | permits to drill, and to amend the Mineral Leasing Act to require the publication of data on expressions of interest and applications for permits to drill | |
| | H.R. 7304 | R | Restore Onshore Energy Production Act. Would require the Secretary of the Interior to immediately resume onshore oil and gas lease sales | In committee |
| | H.R. 7397 | R | Requires the Interior Department to immediately restart all oil and gas leasing and permitting on Federal land and prohibit the President from delaying the issuance of oil and gas leases, permits, approvals, or authorizations in the future | In committee |
| | H.R. 7400 | R | Prohibits future U.S. presidents from using executive powers to ban hydraulic fracturing unless authorized by Act of Congress | In committee |
| | H.R. 7435 | R | Enables the U.S. Department of Energy to assist states in reducing methane emissions from oil and gas production | In committee |
| | H.R. 7550 | D | Oil and Gas Industry Antitrust Act. Requires that the Federal Trade Commission conduct an investigation to determine if the price of gasoline is being manipulated by reducing refinery capacity or by any other form of market manipulation or artificially increased by price gouging practices and requires an investigation and report | In committee |
| | H.R. 7781 | D | End Polluter Welfare Act of 2020 would "eliminate certain subsidies for fossil-fuel production" | In committee |
| | H.R. 8332 | R | Plugging Orphan Wells and Environmental Restoration Act of 2020. Would reauthorize the federal orphan well remediation program for five years at \$50 million per year and would also establish a new grant program for environmental restoration and reclamation of orphaned wells on state, as well as private and tribal lands | In committee |
| | H.R. 8521 | D/R | Landowner Easement Rights Act. Would place a 50-year limit on conservation easements under the Department of Interior and give owners of existing easements the option to renegotiate, renew, or buy out of the easement | In committee |
| | H. Res. 163 | R | Resolution and not a bill expresses the sense of the House of Representatives that the United States should support, and not limit access to, all domestic sources of energy development in an effort to achieve full energy security, including by expanding use of renewable and alternative energy sources, and increasing domestic oil production | In committee |
| | H. Res. 614 | R | Resolution purpose is condemning the Biden administration's Executive actions imposing a moratorium on oil and gas leases on Federal lands and waters, given the administration has also called for increased importation of crude oil from OPEC+ countries and refused to implement congressionally mandated sanctions on the builders of the Russian Nord Stream 2 pipeline | In committee |
| | H. Res. 754 | R | Opposes natural gas taxes in House Democrats Build Back Better budget reconciliation package | In committee |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-----------------------|--------------------|------------------|---|--------------|
| | H. Res. 772 | R | A resolution that recognizes the contributions of gig workers and independent contractors to the American economy | In committee |
| | S. 58 | D | Would permanently ban oil and gas drilling in federal waters off the coast of California, Oregon, and Washington | In committee |
| | S. 69 | R | Conservation Funding Protection Act. The bill would require annual lease sales in the Gulf of Mexico region of the outer Continental Shelf | In committee |
| | S. 76/ H.R. 543 | R | Protecting Our Wealth of Energy Resources Act of 2021 or POWER Act of 2021. Would prohibit the President from issuing moratoria on leasing and permitting energy and minerals on certain Federal land | In committee |
| | S. 171 | R | Keystone XL Pipeline Construction and Jobs Preservation Act. Would authorize the continued construction of the Keystone XL Pipeline following President Biden's decision to revoke the cross-border operation permit | In committee |
| | S. 180 | D | Buffalo Tract Protection Act. Would withdraw certain BLM lands from mineral development | In committee |
| | S. 498 | R | State Water Rights Protection Act. Would amend current law to prevent a president from creating a reserved water right when designating a national monument, though it would not prevent a president from creating a national monument itself. Additionally, it would allow for water rights to be acquired for a national monument through the state system in which the water rights reside | In committee |
| | S. 563 | R | Fair Access to Banking Act. Would require banks of a certain size to lend to the fossil fuel industry if the same criteria were met by other industries | In committee |
| | S. 607 | D | End Speculative Oil and Gas Leasing Act of 2021. Prohibits speculative oil and gas leasing on federal lands | In committee |
| | S. 609 | D | Ruby Mountains Protection Act. Would withdraw the National Forest System land in the Ruby Mountains subdistrict of the Humboldt-Toiyabe National Forest and the National Wildlife Refuge System land in Ruby Lake National Wildlife Refuge, Elko and White Pine Counties, Nevada, from oil and gas leasing and operations | In committee |
| | S. 624 | D/R | Fair Returns for Public Lands Act of 2021. Would raise royalty rates on federal onshore oil and gas leases | In committee |
| | S. 641 | D | Landowner Fairness Act. Would end the legal presumption that gas exports are by definition in the public interest, standardize gas developers' communications to landowners while also setting time limits on Federal Energy Regulatory Commission actions, sets stricter standards on eminent domain claims, and provides a more robust appeals process for landowners | In committee |
| | S. 645 | D | Methane Emissions Reduction Act of 2021. Requires the Department of the Treasury to estimate annual methane emissions from each oil and natural gas producing basin and levy a fee for such emissions on each company that produces, gathers, processes, or transmits oil or natural gas. Fees must be used to provide grants through the | In committee |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-----------------------|----------|------------------|---|--------------|
| | | | National Coastal Resilience Fund of the National Fish and Wildlife Foundation. | |
| | S. 655 | D | Ending Natural Gas Companies' Seizure of Land for Export Profits Act. Would strengthen the rights of landowners facing eminent domain claims from private companies to confiscate property for natural gas pipeline development | In committee |
| | S. 855 | R | Water Rights Protection Act of 2021. Would protect privately owned waters from being seized by the federal government | In committee |
| | S. 986 | D/R | Carbon Capture Utilization and Storage Tax Credit Amendments Act. Aims to reduce greenhouse gas emissions by making tax credits that encourage carbon capture projects more available and easier to use | In committee |
| | S. 1038 | D | Regional Greenhouse Gas Reduction Act of 2021. Establish within the EPA an Office of Regional Greenhouse Gas Reduction Programs. This office would provide analysis and technical assistance to help establish new regional greenhouse gas reduction programs | In committee |
| | S. 1076 | D/R | Revive Economic Growth and Reclaim Orphaned Wells Act of 2021 or REGROW Act. Would amend the Energy Policy Act of 2005 to require the Interior Secretary to establish a program to plug, remediate, and reclaim orphaned oil and gas wells and surrounding land, to provide funds to State and Tribal governments to plug, remediate, and reclaim orphaned oil and gas wells and surrounding land | In committee |
| | S. 1167 | D | End Polluter Welfare Act of 2021. Would eliminate certain subsidies for fossil-fuel production | In committee |
| | S. 1201 | D | United States Climate Leadership in International Mitigation, Adaptation, and Technology Enhancement Act of 2021. The bill "lays out a bold vision to assure the United States appropriately leads the global effort to combat the climate crisis through a new suite of climate foreign policy, climate finance and foreign assistance, and climate diplomacy programs and initiatives." Among the many climate change provisions and greenhouse gas emissions policies, the bill also "focuses energy specific assistance programs to support clean energy development." | In committee |
| | S. 1298 | D | Clean Energy for America Act. Provides tax incentives for increased investment in clean energy but also sunsets the use of percentage depletion for oil and gas wells and repeals the Intangible Drilling Costs deduction | In committee |
| | S. 1537 | R | Strategic Energy and Minerals Initiative (SEMI) Act. Aims to help American companies better compete in global markets by promoting domestic production of oil, gas, and minerals. Among other things, the legislation would direct the U.S. Export-Import Bank to create a strategic energy and minerals portfolio to provide financing for infrastructure projects related to civil nuclear energy, natural gas, and critical minerals that would increase American exports | In committee |
| | S. 1750 | R | Wyoming Public Lands Initiative Act of 2021. To redesignate land within certain wilderness study areas in the State of Wyoming | In committee |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-----------------------|------------------|-------------------------------|--|--------------|
| | S. 2170 | D | Public Engagement Opportunity on Public Land Exploration Act of 202. Would amend the Mineral Leasing Act to provide for transparency and landowner protections in the conduct of lease sales | In committee |
| | S. 2177 | D | Oil and Gas Bonding Reform and Orphaned Well Remediation Act. Would amend the Mineral Leasing Act to ensure sufficient bonding and complete and timely reclamation of land and water disturbed by Federal and Indian oil and gas production | In committee |
| | S. 2393 | R | Fracturing Regulations are Effective in State Hands Act. Clarifies that a State has the sole authority to regulate hydraulic fracturing on Federal land within the boundaries of the State | In committee |
| | S. 2394 | R | Federal Land Freedom Act of 2021. Purpose is to achieve domestic energy independence by empowering States to control the development and production of all forms of energy on all available Federal land | In committee |
| | S. 2818 | D | Fuel Loss Abatement and Royalty Enhancement Act. Requires Interior Department to ban the venting and flaring of gas in oil and gas production on federal land onshore and offshore and promote the capture and beneficial use or reinjection of gas in such operations. Also requires oil and gas companies to pay royalties on gas that is vented or flared pursuant to this bill | In committee |
| | S. 2836 | D/R | America's Revegetation and Carbon Sequestration Act of 2021. Bipartisan bill aiming to restore forest ecosystems and combat carbon emissions through tree planting and revegetation for carbon capture | In committee |
| | S. 3106 | D | Sustainable International Financial Institutions Act of 2021. Would prohibit international banking institutions from investing in fossil fuels oversees | In committee |
| | S. 3167 | D | Fossil Free Finance Act. Would prohibit financing of new or expanded fossil fuel projects by 2022 and prohibit the financing of all fossil fuel projects by 2030. It would also prohibit thermal coal financing by 2025. | In committee |
| | S. 3202 | D | End Speculative Oil and Gas Leasing Act. Prohibits oil and gas leasing on federal lands determined by BLM to have low or no potential for development | In committee |
| | S. 3214 | R | Supporting Made in America Renewable and Traditional Energy Act or the SMART Energy Act. Promotes domestic energy production, requires onshore oil and natural gas lease sales, development of renewable energy on public lands, and offshore oil and natural gas and wind lease sales | In committee |
| | S. 3247 | I (Sen. Bernie Sanders) | Fracking Ban Act. Ban on federal permits for hydraulic fracturing-related infrastructure and a ban on hydraulic fracturing within 2,500 feet of homes and schools by 2021. In 2025, bans hydraulic fracturing nationwide | In committee |
| | S. 3287/ H.R. | R | Strategic Production Response Act. Would provide for the development and issuance of a plan to increase oil and | In committee |

| State/ Session end | Bill No. | Sponsor (D/R) | Description | Status |
|-----------------------|-----------------------|------------------|---|--------------|
| | 6176/ H.R. 6235 | | gas production on Federal land in conjunction with a drawdown of petroleum reserves from the Strategic Petroleum Reserve | |
| | S. 3315 | R | State, Tribal, and Local Species Transparency and Recovery Act. Would amend the Endangered Species Act of 1973 to require disclosure to States of the basis of determinations under that Act, to ensure use of information provided by State, Tribal, and local governments in decision making under that Act | In committee |
| | S. 3459 | R | Would prohibit a federal agency from promulgating any rule or guidance that bans hydraulic fracturing in the United States | In committee |
| | S. 3533 | R | Establishes minimum standards for electronic and remote notarizations and recognition interstate | In committee |
