

Dear Participant,

We are so pleased you agreed to participate in the Advisory Landman Connection Program of the AAPL. It has been a little over a month since you have been assigned to your Advisor. By this time, you should have:

1. Been contacted your “Advisor” and begun your relationship and interaction.
2. Made clear what your needs and wants are to your Advisor and what you expect to gain from this experience in terms of subject matter and areas of land work that you may need a little help with or want to know more about.
3. Discovered the best way to connect. Is the best mode of communication:
  - Telephone
  - Skype
  - Face Time on mobile phone
  - Face-2-Face
  - Go To Meeting
4. Determined the best time of the month, weekday and time of day to connect moving forward.

Please let us know how we can help, especially if you run into a challenge or a question that needs an answer or if there seems to be a problem. We want to provide assistance any way we can. Again, thank you for your participation in the AAPL’s Advisory Landman Connection Program.

Sincerely,

Joseph “Joe” Kent, CPL – Chairman

AAPL Advisory Landman Connection Committee
