Currentness

In this subtitle, “employment” does not include service performed for a private for-profit person by an individual as a landman if:

- (1) the individual is engaged primarily in negotiating for the acquisition or divestiture of mineral rights or negotiating business agreements that provide for the exploration for or development of minerals;
- (2) substantially all remuneration, paid in cash or otherwise, for the performance of the service is directly related to the completion by the individual of the specific, contracted-for tasks, rather than to the number of hours worked by the individual; and
- (3) the service performed by the individual is performed under a written contract between the individual and the person for whom the service is performed that provides that the individual is to be treated as an independent contractor and not as an employee with respect to the service provided under the contract.
